PolicyLab 2019-2022 Strategic Plan and Final Report

Download Material

PolicyLab's 2019-2022 Strategic Plan outlined its vision and three-year goals under its strategic priorities, which focus on conducting high-impact research, increasing capacity to create meaningful policy change, maintaining strong partnerships with critical stakeholders and fostering an inclusive, equitable working environment. This document also includes a Final Report with accomplishments between 2019-2022 and their alignment with our mission, vision and the priorities of this strategic plan.
