

Vote for Dr. Akers for the Social Innovations Award!

Date:

Tuesday, October 24, 2017

PolicyLab researcher [Aletha Akers, MD, MPH](#), is a nominee for Philadelphia's Social Innovations Award in the category of public policy and government. This award recognizes innovative leaders that have demonstrated a commitment to improving public life through various sectors and domains. Dr. Akers was nominated for her leadership in a policy initiative that expanded access to long-acting reversible contraceptives (LARCs) for underserved adolescents in Pennsylvania. You can read more about Dr. Akers' project [here](#), and vote for her [here](#) until October 27.
