Vote for Dr. Bryant-Stephens for the Social Innovations Award!

Date:

Monday, November 06, 2017

PolicyLab researcher Tyra Bryant-Stephens, MD, is a nominee for Philadelphia's Social Innovations Award in the category of healthy communities. This award recognizes innovative leaders that have demonstrated a commitment to improving public life through various sectors and domains. Dr. Bryant-Stephens was nominated for her role in improving asthma outcomes for vulnerable children through the Community Asthma Prevention Programs. You can read more about Dr. Bryant-Stephens here until November 10.
