Samantha Cross

Resource Coordinator

Samantha Cross is a resource coordinator at PolicyLab and Clinical Futures at Children's Hospital of Philadelphia (CHOP). In this role, she provides administrative support to several principal investigators within PolicyLab and CPCE.

Ms. Cross has held various administrative and coordinator roles in the child care sector during her career, including almost 10 years with one of the leading providers of early childhood education. She also has experience collaborating in the management of a multinational networking organization, with over 30 chapters worldwide, in addition to managing her local chapter. Ms. Cross continues to pursue her bachelor's degree in early childhood education administration.
