# Centers for Medicare and Medicaid Services Request for Information: Access to Coverage and Care in Medicaid and CHIP

Download Material

PolicyLab responded to a request for information from the U.S. Centers for Medicare and Medicaid Services (CMS) regarding access to coverage and care in Medicaid and the Children's Health Insurance Program (CHIP).

In this response, PolicyLab experts answer questions such as “in what ways can CMS support states in addressing barriers to enrollment and retention of eligible individuals among different groups?” and “what actions could CMS take to promote continuity of coverage for beneficiaries transitioning between Medicaid, CHIP, and other insurance affordability programs?”
