

Youth Voice Report: 2022 Southeastern PA Regional Community Health Needs Assessment

Date:

Jul 2022

[Download Material](#)

PolicyLab participated in the conceptualization and planning of numerous interviews with youth for the 2022 Southeastern PA Regional Community Health Needs Assessment. We plan to utilize the data within this report to help inform research and programs to address youth-identified health needs in our region.

Topics

[Health Needs in Adolescence](#)

[Social & Environmental Determinants of Health](#)
