Lauren Palladino (she/her) is an affiliate trainee at PolicyLab at Children's Hospital of Philadelphia (CHOP) and a Pediatric Emergency Medicine and Global Health fellow at CHOP. She is also a student in the Master of Science in Health Policy program at University of Pennsylvania. Her interests include the health of refugee and immigrant youth, how immigration policy shapes the well-being of immigrant families, and improving emergency care of children domestically and abroad.

Originally from Buffalo, New York, she completed her undergraduate degree at the University of Notre Dame, received her medical degree from the University at Buffalo, and completed her pediatrics residency and chief resident year at Yale New Haven Children's Hospital.
