

U.S. Department of Agriculture Request for Public Comment: Proposed Rule on Revisions in Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Food Packages

Date:

Feb 2023

Download Material

PolicyLab responded to a request for public comment from the U.S. Department of Agriculture on the Proposed Rule on Revisions in Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Food Packages.

In their response, PolicyLab experts offer their perspective on the proposed updates, which have been informed by research, including studies conducted by their team of investigators at PolicyLab, and by their clinical experience caring for WIC beneficiaries in Pennsylvania.
