Children's Hospital of Philadelphia
PolicyLab

Anyun Chatterjee
MPH

Clinical Research Coordinator

Anyun Chatterjee (they/them) is a research coordinator at PolicyLab and the Qualitative Research Core at Children's Hospital of Philadelphia (CHOP). Prior to coming to CHOP, Anyun spent five years working on qualitative projects at Temple University, George Washington University and University Hospitals in Cleveland. They enjoy conducting focus groups and interviews, as well as qualitative coding. They also have strong experience in data visualization using tools like Tableau. Anyun holds a CHES, a Bachelor of Arts from University of California, Berkeley, and a Master of Public Health from George Washington University. They are currently earning a PhD in media & communications from Temple University.
