Affiliate Trainee

Christine Liverpool (she/her) is an affiliate trainee at PolicyLab at Children's Hospital of Philadelphia (CHOP). She is a pediatric emergency medicine fellow at CHOP, and she completed residency and chief residency at CHOP. She is also in the 2026-2028 cohort of the National Clinicans Scholars Program.

Dr. Liverpool is passionate about prehospital care, trauma and injury prevention with a focus on health equity. During fellowship, she plans to use mixed methods research strategies to gain a better understanding of the EMS and parental persectives of pre-hospital care when taking care of trauma patients. She also plans to analyze practices of pain medication administration in the pre-hospital setting.

Dr. Liverpool received her bachelor’s degree in biology and nutrition from Cornell University and her medical degree from Zucker School of Medicine at Hofstra/Northwell. Prior to medical school, she served as a sixth grade science teacher in Atlanta, Georgia through Teach for America.
