Michael Curley

Clinical Research Assistant

Michael Curley (he/him) is a clinical research assistant at PolicyLab and Clinical Futures at Children's Hospital of Philadelphia (CHOP). He is currently working on projects with Dr. Brian Jenssen with the goal of improving pediatric care, focusing on smoking cessation.

Before joining CHOP, Michael worked on multiple projects at Lafayette College, where he worked on projects with the goal of diagnosing dyslexia in pre-readers. Michael received a Bachelor of Science in Neuroscience at Lafayette College in May 2024.
