Children's Hospital of Philadelphia
PolicyLab

Grace Lee
MD

Affiliate Trainee

Grace S. Lee (she/her) is an affiliate trainee at PolicyLab at Children's Hospital of Philadelphia (CHOP), a pediatric cardiology fellow at CHOP, and a fellow in the National Clinician Scholar Program.

Her research interests include investigating gaps in health coverage among patients with congenital heart disease and determining drivers for disparities in successful transition of care from pediatric to adult specialists among patients with congenital heart disease.

Dr. Lee completed her internal medicine and pediatrics residency at Duke University and is pursuing a Master of Science in Health Policy Research.
