Betsy Brooks (she/her) is a program manager at PolicyLab for Children's Health Insurance Program Reauthorization Act (CHIPRA) Quality Demonstration Grant at Children's Hospital of Philadelphia (CHOP). This project, funded by the Centers for Medicare & Medicaid Services, includes various quality improvement initiatives focused on the use of health information technology. Ms. Brooks oversees the implementation of these initiatives across CHOP, in partnership with the Pennsylvania Department of Public Welfare and other health systems across Pennsylvania. Her work also focuses on child health policy issues related to health care reform. Betsy completed her Master of Public Health and M.S. in social policy at the University of Pennsylvania.
