Watch PolicyLab's Dr. Aletha Akers Present at the Philadelphia Department of Public Health Grand Rounds

Date:

Thursday, March 03, 2016

Last month, The College of Physicians of Philadelphia in Association with The Philadelphia County Medical Society and the Philadelphia Department of Public Health held a continuing medical education program on Long-Acting Reversible Contraception (LARC). PolicyLab researcher Dr. Aletha Akers, presented on the need and value of LARCs, as well as explained the current debate and policies. You can view the presentation in the video below (from 18:10) or on YouTube here.
