PolicyLab Study One of Most-Shared Health Affairs Articles in 2016

Date:

Thursday, January 05, 2017

A recent PolicyLab study was one of the ten *Health Affairs* articles most-shared through Twitter, Facebook and the media this past year. In their study, PolicyLab researcher Doug Strane and Director Dr. David Rubin found that parents with employer-sponsored coverage are increasingly opting for public health insurance-such as Medicaid or the Children's Health Insurance Program (CHIP)-for their kids.
