

## Dr. Aaron Carroll Features PolicyLab Research in New HealthCare Triage Video

## Date:

Friday, February 03, 2017

Regular contributor to The Upshot at The New York Times and Professor of Pedaitrics at Indiana University School of Medicine Dr. Aaron Carroll features a recent PolicyLab study in his HealthTriage video series. The study, published in *Health Affairs*, <u>found that</u> parents with employer-sponsored coverage are increasingly opting for public health insurance-such as Medicaid or the Children's Health Insurance Program (CHIP)-for their kids.
